

Mario C. & JoAnne Monaco Middle School

The Future Belongs To The Educated

Mr. Keith France, Principal
Mr. **Jason Snyder, Dean**

Ms. Hilary Markson, Assistant Principal
Mrs. **Joanna Brooks, Dean**

Dear Parent / Guardian:

The Physical Education Department at Monaco Middle School looks forward to working with your child throughout the school year. We also look forward to creating a working relationship with you in order to best serve the learning and safety needs of your child. Please feel free to call or email us if you have any questions or concerns regarding your child.

The Clark County School District requires a uniform for all students engaged in Physical Education at any school. The PE uniform at Monaco Middle School costs \$20.00 for the complete set. The shirts and shorts are \$10.00 each, and can be purchased separately if needed. Although students can only use the uniform sold through the school for PE, any color sweats or jackets may be worn only in PE on cold weather days. Uniforms will be sold through the PE classes during the start of the year, then through the office. Dressing out is a big portion of the grade for this class, and all students are expected to be dressed out every day and ready for physical activity. Because of the health and safety issues in PE, students who do not dress out will be referred to the dean. **If you anticipate a problem with purchasing the uniform, please contact the Main Office by phone, or written note signed by you. With a minimum \$5.00 down, arrangements can be made to receive a PE voucher which allows your child to pay off the remaining PE uniform slowly throughout the year through the Main Office.**

The PE Department at Monaco Middle School requires a lock for the security of your child's possessions while in PE class. Your child will be given a locker to use throughout the year, but the built-in locks are not always that effective. The lock that we are requiring will ensure the safety of the possessions left in your child's locker. Locks can be bought for a minimal price, usually \$3.00 - \$5.00 at stores such as Walmart, Target, etc. Please bring combination locks only.

Please view our Power Point presentation on the school website (<http://monacoms.org>) for complete coverage of all our important rules and policies (on the Monaco website, click on 'Programs', then click on 'Athletics', then click on 'Physical Education'). All of your child's grades are updated weekly and can also be obtained on-line through Infinite Campus (<http://campusportal.ccsd.net>).

We look forward to working with you and your child this year. Please do not hesitate to call or email us with any questions throughout the semester. Thank you for allowing us to share this important information with you.

Sincerely,

Monaco Physical Education Department
