1. Welcome, roll call, and review of minutes from 5/7/2020
 - 1.1 Review of the minutes from the last meeting
 - 1.2 Celebrations: Teachers are working hard trying to make online learning effective

2. School Budget revisions
 - 2.1 We will delay hiring the Safety Administrator position (SCC) as it is not needed at this time with the distant learning. We will re-fly in December. This will save us approximately a half-year's salary.
 - 2.2 We will receive full rollover money this year and receive additional money because we had long term substitutes last year.
 - 2.3 A majority of the money will be used for renovations to the school building, such as adding a dance floor, improve the gym floor and bleachers, curtains for theatre stage, painting the school, and wiring the windows. In addition, a new Science curriculum, custodial equipment, and musical instruments will be purchased.
 - 2.4 In addition, the team asked to purchase new tables/chairs for classrooms instead of desks, invest in new Wi-Fi or cameras, purchase laptops for teachers who are currently utilizing chrome books, and a year's subscription for the zSpace program for the 21-22 school year.
 - 2.5 The principal will speak with our feeder elementary schools. If they are in need of funds, he will come back to the team and discuss transferring additional funds if appropriate and if they are available.
