**Discussion Items**

1. Welcome
  - a. Review of the minutes
2. Summer School
  - a. Over 500 students are enrolled for summer school. Fantastic. Almost all the 7<sup>th</sup> and 8<sup>th</sup> graders that were personally called by the counselors are attending.
  - b. There are 5<sup>th</sup> graders coming for band camp from two of our feeders
  - c. We have many teachers who will be working. The class sizes will be under 15 except for specialists
3. Trainings: There will be several opportunities for paid training for the staff over the summer months
  - a. Reading Edge (School is paying the cost)
  - b. Carnegie (District is paying the cost for new teachers and experienced)
  - c. Amplify: This is still in the works (School is paying the cost)
4. School budget will be closed
  - a. At this time, a little more than ½ of the roll over money-budget has been spent. It could be a little more depending on when the theatre chairs and curtain is approved and completed. It may be on next year's budget.
  - b. This year, we were not able to change out the cameras as planned. This is at a cost of \$500,000. This will be planned for next year. If we receive additional carry over funds, we will add more cameras than previously planned.
5. Public Comments
  - a. Will we have a cohort C next year? If the numbers come in, yes. As of now, 40 students who signed up for Cohort C are not eligible. We have 17 students who are approved for cohort C.
  - b. Have a great summer.
  - c. Next SOT meeting will be in August. If an SOT meeting is necessary in June or July, all the members will be contacted for the meeting.
